become part of an exciting
cultural tourism icon!*

SOVEREIGN HILL

*As Australia's foremost outdoor museum,
Sovereign Hill presents the fabulous history of Ballarat
– a city built on gold during the great 1850s gold rushes.*

Attracting over 750,000 ticketed visitors annually to its museums from across the world, Sovereign Hill is a not-for-profit, community-based cultural tourism organisation, which has been operating successfully for over 40 years.

Sovereign Hill has won four Australian Tourism Awards for Major Tourist Attraction and has been inducted into the Victorian Tourism Hall of Fame twice.

Sovereign Hill's goldrush setting offers unique meeting and conference facilities and dining venues.

Our professional staff work closely with our caterers, Delaware North Companies Australia, who are members of the Victorian Restaurant and Catering Association's Hall of Fame. Together, they create a superb dining experience.

We are also pleased to offer exclusive use of our VIP table at the United States Hotel Dining Room for restaurant-style lunches, with no Sovereign Hill day entry fee charged.

(Please note that this offer (for up to 8 guests per venue) is subject to availability and that entrance ticket entitlements are not for commercial re-sale.
